CLASSROOM NEWS

Cold & Flu Season

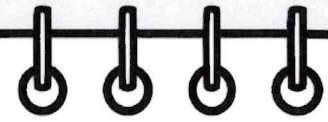

As cold and flu season approaches, please keep in mind our health policy, and that our main goal is to keep all children healthy and safe. Keeping our health policy in mind, we will be talking more about washing hands and covering mouths/noses while sneezing/coughing.

Friendship Feast

On the 27th, ECC will be having a friendship feast where all classes will gather together to eat lunch together. Each classroom will provide a dish for our plates. This year Grandma's House is serving veggies. We ask each child to bring in a bag of frozen veggies (mixed or of your choice) to contribute to our feast!

REMINDERS

- Please don't forget to sign your child in and out for the day with a legible signature.
- This month we are asking each family to bring in 2 packs of baby wipes and 1 container of clorox wipes. (1 of each if part time)
