Stella: 1/30

1/20: School Closed for MLK Day

OUR LEARNING

focus...

Hello Families!

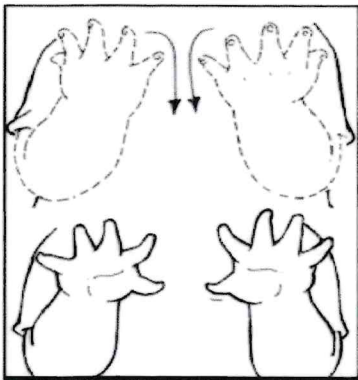

We hope you had a relaxing and joyous holiday season! We're jumping into a new year and new routines. This month our theme is **Nursey Rhymes**. This theme will be used to focus on introducing a longer circle time and group activities. This month's songs will encourage vocalizing & mimicking gestures. We have a few children who have started crawling! Yayyy! We will continue to practice and encourage those gross motor skills. Our courtyard is still under construction, we will be taking the children on walks if the weather permits.

Many of our children have GROWN over the break, please update their extra clothes that we have here at the center, thank you!

We also kindly ask that families be extra diligent in keeping sick children home, we are hoping for a healthy January!
