Santiago's Celebration: 03/08

OUR LEARNING

focus...

Hello Families!

This month our theme is **Weather**. This theme will be used to focus on cause & effect through play and art. This month's songs will encourage vocalizing & mimicking gestures [Oh Mr. Sun, Itsy Bitsy Spider, If All the Raindrops, You Are My Sunshine, It's Raining It's Pouring]

Fine and gross motor skills have been greatly progressing! We will continue working with each individual child to help them meet their individual milestones. We hope to encourage more walkers!

Milestones at age 1:

Social Emotional- Your child may begin to show interest in games such as patty cake

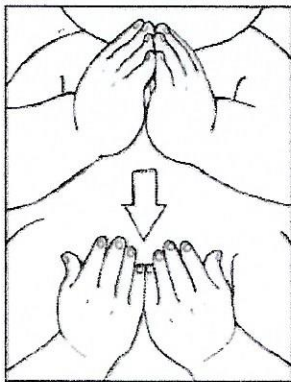

Language- Begins to understand "No"

Cognitive- Successfully places items in containers/sorting boxes

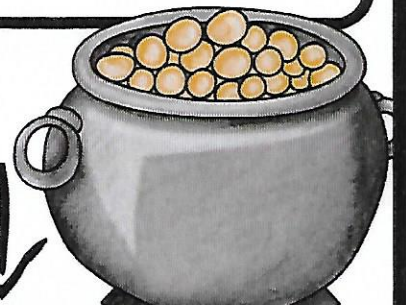

Movement- May begin walking and drinks from open cup

Baby signs

Book
