3/7: Wear your pjs

MARCH

OUR LEARNING

focus...

Hello Families!

This month our theme is **Spring Weather**. This theme will be used to focus on cause & effect through play and art. This month's songs will encourage vocalizing & mimicking gestures [Oh Mr. Sun, If All the Raindrops, You Are My Sunshine, It's Raining It's Pouring]

Fine and gross motor skills have been greatly progressing! We will continue working with each individual child to help them meet their individual milestones. We hope to encourage more walkers!

We have two new friends starting with us, let's welcome Will and Max!

Friendly Reminder: Please LABEL all clothes, food containers, water cups, crib sheets, and bottles. Many of our friends have similar items, help us avoid the confusion!
