## Spring Squeeze Field Trip!

The children in the Rainbow Room, Teddy Bears and Grandma's House classrooms will be taking a field trip to the orange groves at the La Verne Heritage Park on Wednesday, March 15, 2017. The children will take a tractor ride through the orange grove, squeeze an orange & taste the fresh juice, and plant a flower in an orange peel! This is always a wonderful, enriching experience for the children, and the teachers will need as much parental help as they can get! If you are able to join your child on this exciting excursion, please be sure to sign-up. The cost of this field trip is \$8 per child and \$2 per adult. All participating parents will receive 1 PP credit.
