Welcome back Rainbow families, we hope everyone had a wonderful break and enjoyed the holidays. Let's start this new year with positive energy. We are looking forward to learn more with our students. We look forward to doing more critical thinking, more art, more activities that will encourage our rainbows to learn their ABC's and numbers. Our goal is for them to be able to recognize upper and lower case letters.

We look forward to see what 2024 has in store for us
